Dear Friend,

We are delighted to invite you to join us for the 2nd Annual TEAK Fellowship Quiz Ball on Tuesday, October 17th at the Edison Ballroom in New York City.

For the past nineteen years, TEAK's mission has been to help exceptionally bright and motivated students facing economic hardships reach their full potential. For over 300 New York City students each year, TEAK unlocks access to outstanding education and transformative experiences. TEAK Fellows use these opportunities to change their lives and the world around them.

The TEAK Quiz Ball is an entertaining battle of wits where guests are given the opportunity to challenge other attendees and possibly even get paired with a TEAK Fellow to demonstrate their expertise in subjects ranging from math and science, to Shakespeare and the arts. You will also be able to get in on the fun, so brush up on your trivia and YOU might even take home a big trophy!

Please allow us to share a bit more information about the important mission of The TEAK Fellowship. As you are probably aware, there are many bright and enthusiastic students living in under-resourced communities that do not have access to the academic resources they deserve, or even the knowledge that there are options for them to pursue. Through a comprehensive ten-year program, TEAK helps students gain admission to and thrive at world-class high schools and colleges, putting Fellows on the path to life-long success. Over 90% of TEAK Fellows have been admitted to highly competitive colleges and universities (according to Barron's Profile of American Colleges) earning financial awards to fund over 92% of their college expenses. TEAK's rigorous academic program, transformative experiences, and support system empowers students to realize their full potential as engaged scholars and civic-minded leaders ready to impact the world.

You can help these deserving students too. By sponsoring The TEAK QUIZ BALL, you'll be supporting The TEAK Fellowship and joining 350 philanthropic-minded New Yorkers. Your early support ensures you will be featured on all event materials. Response by August 1st guarantees inclusion on the invitation.

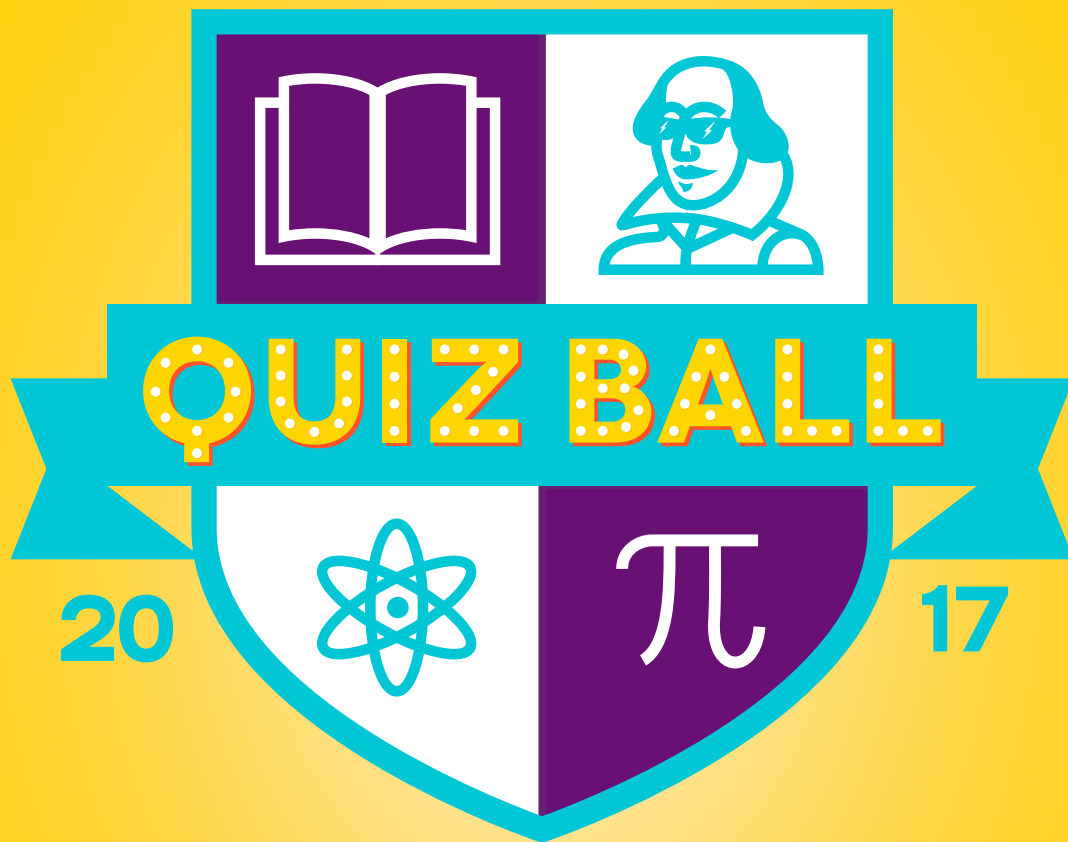

Please take a moment to review the various sponsorship levels that offer unique opportunities for you to become involved. Should you have any questions or if you are ready to sponsor, please be in touch with Wyndy Sloan, Deputy Director of External Relations at TEAK. We look forward to seeing you at this year's exciting event.

Kind regards,

Laura & Henry H. McVey
